Step 2 – Course Enrolment

Select the corresponding F1Tenth course offered in conjunction with NTU and enrol. Once you have successfully enrolled into the course, it should show up in your “My Courses” tab. You will be required to take a screenshot of your **Welcome Email** which states the enrolment date.

My Courses

Troubleshooting:

If you do not receive the activation email from the system, log out and try logging in again. The system should prompt for you to “activate your account” before you can sign in. What you will need to do now is to select the “Need help signing in?” and select “Forgot my password”. Go through with the password reset process and you should have the account activated thereafter.

Step 3 – Upon Completion

In-lieu of a Certification of Completion, your NTU Course Instructor will provide an email confirmation to indicate that you have passed the course.

Step 4 – Applying for credit transfer

You will need both the **Welcome Email** and the **email confirmation** from your course instructor when applying for the credit transfer. You will also need to complete a Reflection Report on what you have learnt from the course.

If you have questions related to the content of this course, please contact **Associate Professor Arvind Easwaran** at email: arvinde@ntu.edu.sg.

If you have questions on MOOC in general, please refer to the FAQs and your School administrator found on website - <https://www.ntu.edu.sg/admissions/matriculation/mooc>.

Additional details for Learning How to Learn and Mindshift: Breaking Through Obstacles to Learning and Discover your Hidden Potential

- Students are to read and complete 2 MOOCs - 'Learning How to Learn: Powerful mental tools to help you master tough subjects' and 'Mindshift: Break through obstacles to learning and discover your hidden potential'.
- Students are to read and complete both MOOCs within the same semester.
- Students are to upload both certificates in the system, but to only enter the issuance date of the certificate with the later date.
