University Clinical Aptitude Test (UCAT) Applicants will have to register for the University Clinical Aptitude Test (UCAT) and take the UCAT as part of the criteria for entry to the LKCMedicine MBBS programme. The University Clinical Aptitude Test (UCAT) is a computer-based admissions test, used by a consortium of UK Universities and non-UK associate member universities including Lee Kong Chian School of Medicine (LKCMedicine) to help select applicants for medical and dental degree programmes. It is a two-hour test consisting of five separately timed subtests in multiple-choice format. It is an aptitude test focused on assessing a range of mental abilities and knowledge candidates should already have. If one is applying to the AY2025-26 intake of LKCMedicine, one should take UCAT between 8 July and 26 September 2024, prior to applying to LKCMedicine. A copy of the UCAT leaflet can be downloaded here. For more details on the UCAT, including information on how to prepare for it, please click here.
