

THE COMPASS

A Research Integrity Bulletin by NTU RIEO

Introducing NTU's new policy on

RESEARCH PROTECTIONS AND SAFEGUARDS

[Click here for the policy](#)

1

What if your sensitive research equipment was stolen from your lab?

2

What if your sensitive research data went missing or was accessed by unauthorised personnel?

Loss of sensitive research materials or data can happen in NTU.

Do you know how to manage these research security risks?

Visit the Research Protections & Safeguards (RPS) page to find out.

Stay tuned for the next COMPASS to learn more!

If you have any queries or wish to subscribe to THE COMPASS, please write to us at rieo@ntu.edu.sg

Refer to [RIEO's website](#) for more information on Research Integrity in NTU
