

HL1003

SURVEY 2

GRAHAM MATTHEWS

OVERVIEW

Survey of English Literature II provides an introduction to the most influential and important literary works from the Romantic period, the Victorian age, and the Twentieth Century. The course combines close reading of primary texts alongside detailed investigation into their historical and cultural contexts. The study of canonical texts alongside major film adaptations offers insight into the ways in which literature has developed and defined our understanding of culture and society in the world today.

Course Text: Norton Anthology of English Literature, 10th edn. Vol. D,E,F

New York: Norton, 2018. ISBN: 9780393603132

Course Text: Norton Anthology of English Literature, 10th edn. Vol. D,E,F

New York: Norton, 2018. ISBN: 9780393603132

ASSESSMENT

1. Coursework Essay: 40%

You are invited to write a 1,500-word essay in response to one of a selection of questions. Your essay should include a clear line of argument that is supported by detailed close reading of the text(s). The essay is due at 23:59 on Monday 11 March 2024.

2. Presentation: 10%

You will deliver a 5-10 minute presentation during the tutorial on a specific theme or topic in the text. You must be prepared to answer questions from your classmates following the presentation.

3. Final Exam: 50%

The Survey 2 paper contains two sections. Section A asks you to perform a detailed close reading of one extract. Section B contains questions concerned with period studies. You may answer one question and must discuss two texts from the course.

Generative AI Tools

Note: You are permitted to quote output from Generative AI tools but must follow correct referencing practice; any content generated through these tools does not constitute your own work. Please remember that this is a level one module that trains you in domain-specific skills in close reading and critical analysis that Generative AI tools are not very effective at replicating. Misuse of AI and/or failure to document its use will result in penalties under the academic integrity policy. Further details will be provided in class and via NTU Learn.
