

Credit Transfer

The credit can be transferrable to MSc Supply Chain Engineering programme if PaCE learners who completed the Supply Chain Engineering Courses in May 2022 onwards with minimum GPA of 3.0 (B-) for each course.

Mapping of Fleximasters courses to MSc Supply Chain Engineering modules

FlexiMasters Courses			Mapping of Master's Modules	
No.	Course Title	AU	Module Title	AU
1.	CET857 Warehousing Operations	1	MA6704 (L6115) Management of Logistics Functions (Elective)	3
2.	CET858 Global Air Cargo	1		
3.	CET859 Multi-modal Transport and Sea Freight Management	1		
4.	CET860 Decision Making under Uncertainty	1	MA6701 (L6002) Quantitative Methods for Logistics Analysis (Core)	3
5.	CET861 Optimization of Supply and Transportation Networks	1		
6.	CET862 Decision Analytics and Applications	1		
7.	CET863 Sales and Operations Planning	1	MA6702 (L6003) Corporate Resource Planning (Core)	3
8.	CET864 Resource and Capacity Planning	2		

FlexiMasters Courses			Mapping of Master's Modules	
No.	Course Title	AU	Module Title	AU
9.	CET865 Introduction to Supply Chain Management	1	MA6703 (L6103) Supply Chain Inventory Planning (Core)	3
10.	CET866 Supply Network Design & Inventory Management	1		
11.	CET892 Strategies for Supply Chain Alignment	1		
12.	CET868 Strategic Sourcing and Procurement	2	MA6712 (L6102) Procurement & Supplier Development (Elective)	3
13.	CET869 Effective Supplier Management & Development	1		

- As per University policy, academic units that are approved for transfer of credits are **not included** in the computation of Grade Point Average (GPA) for the Masters programme.
- Transfer of credits is by application and the application will be assessed and approved by the Programme Management Committee.
- Credits may be transferred for a period of up to 5 years from the date of award of the completed course as reflected in your official result slip/transcript.
- The minimum Grade Point eligible for transfer of credits is 2.5 (C+) for PaCE learners who completed Supply Chain Engineering courses in May 2022 and earlier.
