

CCL – Core Modules

Overview

- The purpose of the 3 Co-curricular Learning (CCL) -Core modules is to serve as a first step to help ALL students transit smoothly to University life. Completing the modules is integral for freshmen to better prepare for, adjust to, and navigate University Life.
- Students will **not be able to access their exam results**, should they not complete all 3 modules **by the end of Semester 1 2024**
- Students are encouraged to complete the modules before they attend orientation.
- Students may access the modules by logging into [NTULearn](#) to search for the courses listed below.
- **3 Co-Curricular Learning Core (CCL-Core) modules**
