

Björn Fondén

International Policy Advisor IETA

Björn is the International Policy Advisor at IETA, based in Singapore. Bringing a wealth of experience from previous positions as a Climate Change Specialist at the United Nations' Framework Convention on Climate Change (UNFCCC) Regional Collaboration Centre for Asia and the Pacific, based in Bangkok; as a Climate Strategy Consultant at Grant Thornton, and a Climate Finance Advisor at the Swedish International Development Agency (SIDA), Björn has lived and worked across six countries, with a particular focus on Asia. He holds a dual Bachelor's Degree in Environmental Science and Business Administration, and a Master's Degree in Global Economic Governance and Public Affairs. His research focused on the role of Article 6 of the Paris Agreement in raising NDC ambition.

At IETA, Björn is leading work on policy development across Asia and the Pacific, as well as the advancement of international markets under Article 6. He is a focal point for the Private Sector WG of the Article 6 Implementation Partnership and participates closely in the international UNFCCC negotiations. He is also supporting the Business Partnership for Market Implementation (B-PMI) which aims to build capacity on carbon markets and design considerations in emerging economies.
