

Duncan van Bergen

Co-founder, Calyx Global

Duncan co-founded carbon credit ratings company Calyx Global with his business partner Donna Lee in 2021. They help businesses find and choose higher quality carbon credits, avoid risk and generate more impact for the planet and people. The Calyx Global Platform provides rigorous, independent, and evidence-based carbon credit ratings, research, and insights.

Before this, Duncan started up a nature-based solutions business in 2017 and led its growth into one of the top players in the global voluntary carbon markets. He has over 20 years of experience in business development, executive leadership, strategy, and policy in energy and policy. Duncan holds an M.Sc. in Economics from the University of Leuven (Belgium), as well as an MBA from Solvay Business School (Belgium) and Harvard Business School, where he graduated as a Baker Scholar.
