

Dear Student,

STUDENT MATRICULATION CARD

Welcome to NIE. We hope you will have a rewarding experience studying at NIE and we look forward to seeing you on campus.

All new students will receive a student matriculation card. Please refer to page 2 for the sample of NIE card design.

More than just a form of identification, your student matriculation card is enabled with NETS Flashpay, which means you can use it to make cashless payments at shops within and outside campus, and when taking the public transport.

The card also enables you to borrow books and other library resources, as well as to access computer labs and other campus facilities.

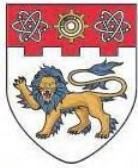

Upon the successful completion of your Verification of Documents (VOD) exercise, you will be issued your student matriculation card. Students who did not complete the VOD exercise **will not** receive their card. For more information on VOD, please refer to the Admission Guide stated in your offer letter.

Meanwhile, do take good care of your card as it will cost \$32.70 to have it replaced.

Thank you.
